I, Kanisha Sexton, at the time, Now Kanisha Schafer.
 I have seen Debbie Disch for Prenatal care
 for five of my babies. First one in 1999
 she delivered. I was told from her that she
 was a licensed midwife back then and have
 always thought she was until recently when
 I contacted her to be my midwife with
 my eighth child. I had started bleeding
 and called my local health office for advice
 and that is when I was told that Debbie was
 a non licenced midwife. I only seen her
 once before I miscarried. That appointment was
 for payment wise and update information such
 as phone #'s & address. Also talked about payment
 which she was going to charge me \$1200.00
 for this birth. my last births she charged
 me \$ 800.00.
